FAQs

1. What is a Valid UPI ID?

A Valid UPI ID is a verified payment address linked to a broker's bank account through authorized payment aggregators.

2. Will my payment process change?

No. You will continue using your preferred UPI app. Only the backend UPI handle has been updated to comply with SEBI regulations.

3. Which UPI IDs should I trust?

Only use the UPI IDs displayed on our Website and Mobile App. Payments made to any other IDs will not be recognized.

4. What happens if I pay to the wrong UPI ID?

Such payments will not be credited to your trading account. Please contact support immediately if you face this issue.

5. Do I need to re-register anything?

No. The transition is automatic via our payment partners through our platforms
